

MYSORE DIVISION.

Notice dated 5th September 1916.

The public are hereby informed that a portion of French Rocks Station-Nelligere road in the 19th mile between the Honakere bridge and Honakere village is closed for the traffic since the road is washed away during the heavy rains in the last week of August. The traffic will have to go in the old road crossing the river where it is not bridged.

Notice.

The attention of the public is invited to the advertisement in detail published in the *Mysore Gazette* dated 21st September 1916, calling for tenders for resorting Kanagal Hirikere and Kanthikere, Registered No. 371 of Hunsur Taluk, Mysore District.

Notice.

The attention of the public is invited to the advertisement in detail published in the *Mysore Gazette* dated 21st September 1916, calling for tenders for restoring the Hongana-halli (Kommatahalli) tank, registered No. 15 of Mandya Taluk, Mysore District.

Notification dated 15th September 1916.

A sum of Rs. 23-13-0 due to one Haliah for metalling bad portions of Yedatore-Ramanathapur road lies unclaimed in the accounts of this office since July 1915. If this amount is not claimed by the party or his heirs within three months from this date, the same will be credited to Government.

Y. ASWATHNARAYANA ROW,
Executive Engineer.

HEADQUARTER RANGE, MYSORE.

A sum of Rs. 165-6-4 due to contractors Surathi Naik and Cheluvarya Chetty on account of work done by them in the new Palace at Mysore is outstanding in the books of this office from February 1914, and notice is hereby given that if the parties do not apply to this office for payment before the end of October 1916, the amount will be credited to Government.

S. H. LAKSHMINARASAPPA,
Assistant Engineer.

SHIMOGA DIVISION.

Dated 15th September 1916.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Shimoga Division, up to 12th October 1916, for restoring the Bhogi Vaddu in Shikarpur Taluk. An approximate estimate of quantities are given below. These quantities are not guaranteed. The work should be completed by the end of June 1917.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Shimoga, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 400 in cash or Government Promissory Notes as earnest money and be superscribed "Tender for restoring Bhogi Vaddu in Shikarpur Taluk," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
